Store Buildings On Newport Ave. Near Completion

STRAND RADIO COMPANY LEASES ONE AND NEW LOCAL JEWELER OTHER

Three new store buildings, under construction on the south side of Newport Ave. in the 4800 block, are nearing completion, a survey by The News revealed Wednesday.

Fred Allen of 4871 Newport Ave., well known Ocean Beach yacht sportsman, is having the Walter Trepte Construction Co. build a 25 x 80 new store building at 4875 Newport Ave. Plan is to have same completed by the middle of October.

The Strand Radio Company of 4991 Newport has leased the Allen building and plans to move their electrical appliances and radios to the new location, in order to have more room for their business, Wm. A. "Bill" Bergman, the owner, indicated Wednesday. He said "we also plan to have built for us another building in the rear which we aim to use as a repair shop for washing machines and radios."

"The business for sale of music, records, toys, and similar stock, we plan to retain at the present store," he said.

New Jewelry Store To Open

A new jewelry store for Ocean Beach is expected to be ready for opening around Nov. 1, Carl W. Smith of 4826 Tivoli St. informed The News Wednesday. He and his son, H. F. Smith of the same address, have leased from E. C. Grant the new store building which Grant has under construction at 4841 Newport Ave. In announcing his plans Wednesday, the elder Mr. Smith stated that "I have been in the jewelry "our family has been in the jewelry business starting with my grandfather in 1873."

The family sold their jewelry business and home in Elizabeth, Tenn. and moved here in March this year. His son, who is married, while stationed here on duty with the Navy, liked San Diego so well that he prevailed upon his folks to sell out in Tennessee and move here to resume the jewelry business.

On Mr. Grant's other new store building on the same lot, also being constructed in front of his residence courts, a lease had not yet been signed Wednesday, he told The News.

Mrs. J. M. Kilbourne of Omaha, Neb. has recently been the guest of Mrs. Claire MacGregor and Mrs. Laura Pendergast at their home, 1615 Ocean Front. Mrs. MacGregor is a sister of Mrs. Kilbourne, the latter will leave today (Friday) for Los Angeles and expects to return to Ocean Beach after a brief visit there.

Pointers, La Jolla Open Gridfest In Stadium Tonight

Though the high school crowd may take longer to get into the swing of things as far as books are concerned, when it comes to football, they can get rolling in a hurry. After only 10 days of school, Point Loma high will join tonight (Friday) in an all-city football carnival at Balboa Stadium, reports Charles Downey, sports editor of the "Pointer." The festivities are slated to begin at 7:15, with the Point Loma Girls' Drill team out in full regalia assisted by the school's pom-pom group.

Six high schools will participate in the carnival, playing three games of 20 minutes each. Point Loma is scheduled to clash on the turf with La Jolla, the team including (tentatively) Bill Helm, Ray Keough, Don Jones, Glen Vanderlinde, Charley Sprong, Ed Browning, Bill Cisco, Frank Barner, Dick Welke, Pete Simmons, Duane Michael and Yoto Takeshita.

The event will be preceded by a get-acquainted rally at the school this (Friday) morning, at which the players will be introduced to the student body. The usual complement of yell-leaders and song-leaders will be on hand to make as much noise as possible.

Saturday afternoon the Pointers will again be in Balboa Stadium for the first real gridiron game of the year, when they take on the Herbert Hoover high school team for a full-time battle.

Local Clubwomen Help To Get City To Leave Trees In

Proving that a word to the right people is worth a thousand speeches over the back fence, the City Council agreed Tuesday to leave the palm trees along Catalina Blvd. as is instead of moving a part of them to Mission Bay Park as they had previously decided to do. The Council reversed its decision after a delegation of local clubwomen and men presented arguments against moving the trees.

Mrs. Lyle Burkett, Mrs. E. D. Buffaloe, Mrs. B. H. Nielsen, Mrs. Dorothy Arthur, Mrs. Dan Billman and Mrs. Beth Gregory were among those present. Spokesman for this group was Mrs. Lawrence Krettler, the chairman of the Ocean Beach Woman's club civic committee. She spoke briefly on the point of "robbing Peter to pay Paul", namely taking trees from one section of the city to beautify another. Mmes. Billman, Gregory and Arthur represented the Ocean Beach Junior Woman's club and Mmes. Nielsen, Burkett, Buffaloe and Krettler represented the Ocean Beach Woman's club.

For the men Arthur Loring of Point Loma spearheaded the attack against removal of the trees. He told the Council that there are plenty of other palm trees available for Mission Bay park and that the Park department's position is "absolutely absurd."

The council then rescinded its previous action after hearing Loring charge that whatever damage has been done to the trees is the result of earlier action by the Park department, when fronds were burned beneath them early this year.

The Park department's stand had been that the trees need "thinning out." Park and Recreation Director Leo Calland and Park Superintendent Allen Perry sought to remove every other tree along the boulevard, hoping that the ones remaining would then grow taller for having been given more room.

Cypress Trees Item Being Studied

As for the petition for removal of the old cypress trees on Voltaire St., The News was informed Thursday by Russell Rink, assistant city manager, that the matter has been referred to the City Park department and is being studied by the head officials of that department. A decision may be reached by next week, he indicated.

STATE COLLEGE NEWS

(By JOAN HOLLOBAUGH)

Wasn't it wonderful to wake up Saturday morning, tune in on your favorite sports announcer, and hear the exciting news about State's football game with Utah? The pleasing (to us) score was 24-19, with State out in front. A big rally greeted the team when they pulled into the Santa Fe Depot on Sunday.

HANK VOSS BRINGS HOME WHOPPING TALE OF FISH CAUGHT IN OREGON DITCH

One of this week's better known returnees is Hank Voss of the Market Basket, who with his wife and young son returned Sept. 16 from vacationing in Corvallis, Oregon. He and Mrs. V. were the guests of her parents, the Fred Reids of Corvallis. The Vosses were gone about two weeks, most of which time Hank spent fishing for steelhead trout. He returned to Ocean Beach with suitable testimony as to his prowess with rod and reel in the form of a picture of the three and a half ton trout he says he caught in an irrigation ditch with a bent bobby pin. He announced that he is available for lessons. The picture is on display in the Market Basket, should anyone have suspicions.

Diagonal Parking Stripes Painted By Street Department

The City's street painting crew began work Thursday painting diagonal car parking lines on Newport Ave. and announced to The News that they planned to complete the work Friday (today). The lines are at a 45-degree angle and in approximately the same positions as before.

Painting parts of the curbs to designate "No Parking" is included in the work. The City is carrying out the wishes of the majority here who voted in polls taken that they wanted diagonal rather than parallel parking.

Dr. Hayden Fears, superintendent of the San Diego Methodist district, was the honored guest and featured speaker when the monthly dinner meeting was held Wednesday evening in the sanctuary of the Pt. Loma Methodist church. He outlined plans for the coming church year and spoke to the 60 congregation members present on the subject "A Great Religion for a Confused World."

Speaker Suggests Psychiatry For Prisoner Reform

Dr. Harold O. Cozby, San Diego psychiatrist, who had 20 years experience in the Navy in his profession, speaking before the Kiwanis club Tuesday evening, suggested the use of psychiatry as the best scientific approach to rehabilitation of prisoners in the penal institutions. He recommended, as requisite to success, that each prisoner be treated according to his or her individual characteristics. He intimated that our present penal system for prisoner reform is seriously inefficient.

Russell Warren presided as program chairman for the evening.

Dave Chandler, program committee chairman, announced that "Ladies Night" will again be observed at next Tuesday's meeting.

Nominations for officers for the ensuing year were reported by Chairman Martin Murphy of a special committee. He said the elections would take place in October. He announced the nominations included Harry Masters for president, Dr. W. B. Oster for vice president and Dick Hilmen and Paul Hendrickson for treasurer.

Leaders For Girl Scout Troops Named

Troop No. 112, which meets Wednesday in the Community Center, is the only one of seven Girl Scout troops whose meeting day has been set, reports Mrs. Jesse Grubb, telephone chairman for the Girl Scouts Neighborhood committee. The others, she said, have been assigned their leaders and co-leaders but as yet have not been assigned to certain days in the local Community Center for meetings.

Troop 112 will be under the direction of Mrs. M. Roche, leader, and Mrs. Davies, co-leader. Troop 135 will be led by Mrs. Catherine Smith, leader, and Mrs. Jane Williams, co-leader. Troop 44 (Brownies) will be directed by Mrs. Ralph E. Petty as leader and Mrs. George T. Norbeth as co-leader. Mrs. Petty will be co-leader for Troop 74 and Mrs. Norbeth will be leader. Mrs. T. Rogers will take the leadership for Troop 127, Mrs. D. Pfeifer acting as co-leader. For Troop 165 Mrs. Lila Beck will be leader and Mrs. Grand will serve as co-leader. Mrs. Earl Haglund will be leader and Mrs. R. Crosby will be co-leader of Troop 137.

There is still a definite need for scout leadership, Mrs. Grubb said. She added that local women interested in Girl Scouting should contact Mrs. E. F. Olson at B-5490, Mrs. Betty Brunk, program chairman, or herself, Mrs. Jesse Grubb.

A neighborhood club meeting will be held at the Recreation Center Oct. 2 from 10 a.m. to 12 noon. Mrs. Donald Muchmore will preside and Mrs. Betty Brunk is program chairman.

PISMO CLAMS LEGAL BAIT

The Pismo clams that have been used for bait along our beaches have been the topic for recent discussion as to the legality of their use as bait. A check with the Fish and Game Commission revealed that it is legal to use them, if they are the required size of five inches and if the fisherman has not more than 15 in possession at a time.

Norma Will Visit Cuba On Cross-Country Bike Trip

Norma Jean Belloff recently wrote her mother, Mrs. F. H. Belloff of 2111 Mendocino Blvd., outlining her future itinerary, which includes a trip to Cuba. Miss Belloff is on a bike tour which has taken her from Ocean Beach to Miami Beach, Fla. Excerpts from her letter follow:

Miami Beach, Fla.

Mom:

Everything is hunky-dory, in fact everything is double hunky-dory!

I am working for a Jewish family, as companion nurse to a little lady in her 80's (she won't admit it tho). I am learning a great deal about Jews, their characteristics, ideals and customs. It is very interesting and thrills me as does everything else in this wonderful world. I am studying the differences between Hebrew, Jewish and Yiddish, etc.

I go to the synagogue and plan to attend thru the New Year and Yom Kippur celebration this month.

I came down the Florida "Gold Coast" in a hurry cause most of it was, "closed for the summer." When the hordes migrate from New York this winter I'll re-enter their sanctum and see it at its busy best.

Miami Beach will probably hold me thru September, Cuba will occupy October, then I am undecided between doing up the rest of Florida and the Eastern States in time for a Baltimore Christmas, then on north to Connecticutt after Christmas for some real encounters with winter, or shall I reach Washington in time to pleasure to the "Cherry Blossoms" and reach my birth place (New London, Conn.) in time to celebrate my 21st birthday, March 14. It may just as easily turn out completely different, but I enjoy dreaming and planning what I'll do, then watching to see what really happens!

It's like tracing a shape in the air with my finger then setting back to see how the clouds fill it out.

Anyway, I want to be back home by September '48. I'd like a real taste of college after that, marry perhaps, or I may go on with a career of touring, or both marry and tour. Can't tell, can you?

It is such a gratification to ease the hunger of curiosity and satisfy the pangs of the desire to learn.

Love,
Norma

The brothers, Jack and Bob Stevenson of the Ocean Beach Garage, have been entertaining relatives from Windsor, Ontario, Canada this week. The visitors arrived Sept. 13 and are here for a two weeks visit. They are Mr. and Mrs. William Stevenson, Mr. and Mrs. Eric Love and Mrs. Loren Love. William is a brother of Jack and Bob and Mrs. Eric Love is their cousin. The brothers had not seen each other for 10 years.

VIRGIL SWOBODA RETURNS AFTER FIVE-DAY JAUNT TO ROCKY MOUNTAINS

Sunburned and happy after a five-day vacation in the tall timber, Virgil Swoboda is back grinning at the customers in his store. With M. C. Stewart of San Diego and Tuffey Cory of El Cajon, Mr. Swoboda left by air from Los Angeles Sept. 13 for Pueblo, Colo. From Pueblo the group journeyed inland to the highest part of the mountains they could find and established themselves at Pagosa Springs Lodge. With this as headquarters, they packed into the mountains for fishing. Virgil reports they caught "lots" of fine trout. In fact, he's so pleased with the results of the trip that he and his pals are planning to repeat the experience next year for two weeks.

"DOLLAR DAY" BUSINESS PRIMER SUGGESTED BY OC'N BEACH MERCHANTS

In an action-packed September session of the Ocean Beach Chamber of Commerce directors, held Tuesday evening at the organization's office the highlights of the meet were as follows, the officers reported Thursday:

At suggestion of F. B. McElwee, pioneer local business man, the directors decided to ask City Manager F. A. Rhodes for estimate of cost of a new seawall proposed to run from the Silver Spray hotel rocky point north to the ocean end of the Mission Bay park's new south jetty. McElwee suggested a city improvement district to arrange for the financing necessary.

A merchants bureau standing committee consisting of Dave Weissman, Dick Hilmen, Ed Schoen, Harry Masters and James Noel, was suggested at the meeting and was named by President F. F. Swan, to see all the local merchants and push the plan of holding "Dollar Day" special trade promotion sales. The committee was asked to get busy at once and have a report ready for the October C. of C. meeting Oct. 6. Director Milt Lancaster presented the proposition and said he had had suggestions from several local merchants that "Dollar Days" be arranged here.

Purcell Webb and Glenn Jones were named on a special Sign and Highway committee with "power to act" on the placing of "Ocean Beach" signs at strategic places, and particularly at entrance to the Lownes parking lot. For a long time the C. of C. has felt that the public has not been given sufficient signs locating Ocean Beach. The same committee is directed to keep in touch with the city on new bus routes and designation of new through streets in the Ocean Beach and Point Loma peninsula area.

In a report from the Community Activities committee, Chairman Arnold Morss stated that plans were going ahead for this year's Christmas street decorations for Ocean Beach. He said Al Hunt was preparing designs to be shown to the local merchants. A feature this year, he said, would be the lighting of Mrs. Hanna's huge Christmas tree on Newport Ave.

TWO LOCAL RESIDENTS SLIGHTLY INJURED IN WEEKEND ACCIDENTS

Ted Wagner, 13, son of Mr. and Mrs. Justin M. Wagner of 2145 Froude was badly scared but not seriously injured Sept. 20 when he was struck by an auto as corner of Froude St. and Long Branch Ave. Thrown to the curb, Ted suffered a slightly injured foot but was otherwise unhurt.

Mrs. Gloria Prest, 52, of 5062 Narragansett, was also slightly injured Sunday in a two car crash at the corner of El Cajon Blvd. and 70th St.

Burglars Use Fake Phone Call to Rob G. Cords of $155

A new angle in burglary technique was tried out in Ocean Beach Monday when the Cords Paint Store was robbed of $155 in cash. The robbery, engineered by two thugs, was preluded by a telephone call to Glen Cords, owner of the store, telling him that his phone would be temporarily disconnected. This information was, of course, phony, but Mr. Cords accepted it at the time. Shortly afterward, the Studio of the Cliffs next door to Cords, received a call asking for Mr. Cords, which they relayed to him, and he went to the phone in the Studio, leaving his store temporarily empty. The phone call turned out to be a lengthy (also fake) order for paint which occupied Mr. Cords for several minutes. During his absence a tall, broad-shouldered, gray-haired man, seen by passers by and a would-be customer, entered the store and rifled the cash register.

The people who witnessed the man going through the cash register assumed him to be a clerk, and were not suspicious of him, but later were able to describe him. The police have made no arrests to date.

Mr. Cords reports that the loss is not covered by insurance because of a technicality in the operation of the cash register.

Smith Adults And Children Tell Of Philippines Life

Wayne and Marie Ellen Smith, aged 10 and 7, respectively, have strange and interesting stories to tell to their classmates at the local grammar school. The youngsters are back in school after a year's absence, during which time they were with their parents, Lieut. Comdr. and Mrs. William A. Smith of 4461 Narragansett, in the Philippines, where their father was stationed with the Navy.

The Smiths didn't live in or near Manila or any other city. They were isolated with a handful of other Navy families on a small island now largely deserted by the huge naval force which occupied it in the last stages of the war and since. No schools were available and Wayne had an American naval officer as his tutor and Marie Ellen was taught by a young Philippine native who schooled five of the Navy children. The youngsters' 20 month old brother Carl was the toy of the native girls, Mrs. Smith said, and they were heartbroken when the Smiths were re-transferred home again in July. No milk was available for him or for the older children, and they were given calcium pills to counteract this deficiency in their diet.

The Smith youngsters were the first white children in that section of the Islands, said Mrs. Smith. At first, until more Navy families arrived, they were very lonely, but swimming and the fascinations of the jungle made their life interesting as time went on.

The natives published a newspaper on the island, she said. In their flowery English they reported all the events of the community. Mrs. Smith promised to bring in a copy to The News office, which the staff is eagerly awaiting.

Returning home, the children had opportunity to see China, Japan and Hawaii. Their mother only hopes they will retain enough of the trip in their memory to compensate for the long time away from home. She said they are all glad to be back in Ocean Beach and are eager to renew their acquaintanceships here. And The News says, "Welcome Home!"

Loughrey of the Altar Society of the local Catholic church declared this week in reporting on the three-day bazaar held Sept. 19, 20 and 21. Under the leadership of Father Edward Hannon, the bazaar was produced by members of the Holy Name and Altar Societies.

F. A. Roscoe Jr. won the $300 first prize and Betty Atkinson walked off with second prize of $150. Third prize of $50 was won by Mrs. Anna Nelson of Mission Beach. Besides the cash prizes, a Bendix washing machine, electric roaster, and a radio were awarded. The first was won by Joe Friel of 2014 Bacon, the second by Mrs. Sweitzer of Ocean Beach, and the third by Mrs. Bailey of 4862 Voltaire.

A bride doll, complete with trousseau, was won by Marie Ellen Smith, 7, of 4461 Narragansett and two quilts were won by Mrs. Osterberg and Mrs. Huff respectively, both of Azure Vista. Mrs. G. Kelly of Muir Ave. won the crocheted plastic handbag.

Mrs. Charles Clark, Mrs. L. W. Dolan, and Mrs. J. A. Loughrey comprised the Altar Society committee in charge of the variety store and needlework booth.

Men of the Holy Name Society took charge of the county store, fish pond, games, and the hot-dog stand. Bill Madigan and Otto Beach were in the kitchen and Frank Miller, Joe Friel, Bernard Walsh, H. Smith, Charles Clark, George Friel, J. R. Johnson, Cecil Barbour, George Cinq-mars, H. Mason, Arnold Frank, Al Fabbri, Thomas Burke, J. Klecan, Arthur Dade, Joe Fritchel and Mr. Loyhn directed the games. They were assisted by Catholic Youth Organization members consisting of Alice Mabin, Pat O'Brien, Henrietta Tchatter, Vi Daley, Terry Rundlette and Juanita Parker.

Herman Syzmonek supervised the decoration of the parish hall for the affair, although he is still on crutches as a result of his recent illness. Tom Clarkin, George and Paul Burrows and Ernest Backhaus erected the booths.

Father Edward Hannon announced a bingo party to be held in the parish hall every Tuesday evening at 8 p.m. through the fall, winter and spring. The first of these is slated for October 7, he said. Frank Miller and Bernard Walsh will be chairmen with the assistance of the ladies' Altar Society.

Letters to the Editor

Dear Sir:

I have been away for three months and I understand now that we are not allowed to have any trash burners. What I can't understand is that within a block of your office and even the police station, trash is allowed to accumulate on lots and around buildings that are much more of a fire hazard than a trash burner could ever be.

If no one worries about fire risk, where is their civic pride that allows such a condition which is certainly no improvement to our city?

Why not draw attention to this condition and get something done about it?

From one who takes pride in the town where we live.

Mrs. Henry

Mrs. Jeanette Russell of 4886 W. Pt. Loma Blvd. is recuperating at her home after a major operation undergone at Mercy hospital one day last week.

Mr. and Mrs. J. E. McCaffrey of 4947 Muir received a visit last week from Mrs. McCaffrey's parents, the George E. Coles of Los Angeles. Mr. and Mrs. Cole expect to be here another week, during which time they will visit with their other daughter and her family, the Dent Sampsons of Ocean Beach.

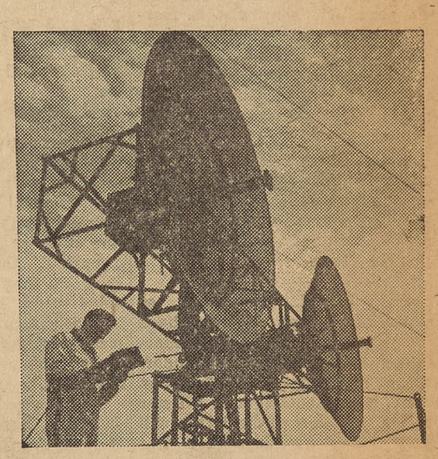
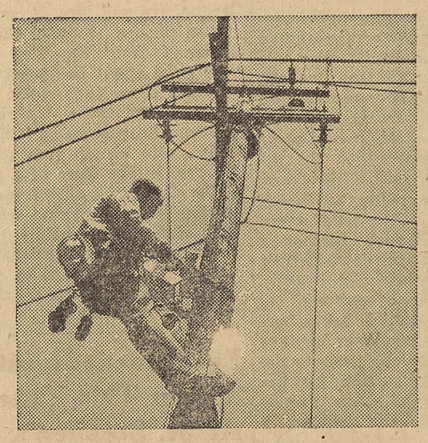
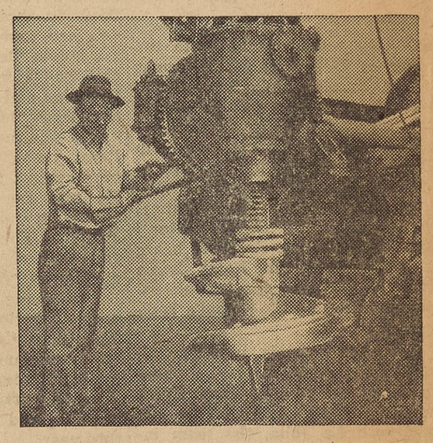
New ways the telephone can reach remote areas



Radio telephone allows your voice to "ride the beam" into Death Valley, across the channel to Catalina Island . . . to Mount Hood . . . between Marysville and Redding. With transmitters like this one we can span sea or desert by radio and your voice sounds exactly as though it were coming over a telephone wire.



Power-line carrier is another new device which makes telephone communications possible in remote, sparsely settled districts. Your voice "hitch-hikes" along existing power lines on radio waves that are tuned to follow the wires. Several power-line systems are now used on the Pacific Coast . . . and they're as safe and effective to use as any.



These developments are dramatic . . . but most of our expansion program must be pushed with "everyday" things like this post-hole digger . . . wires and cables and switchboards. Our construction program of $200,000,000 this year brings us closer to our goal: the finest telephone service for the West.

New Working Dollars . . . Millions of new dollars needed to build buildings and buy new equipment to meet the public demand for more telephones and more service do not come from telephone bills. New dollars come from people who are willing to put their savings into the business. We must earn enough to attract these new working dollars.

THAT'S WHAT!

By GINNY CLARK

Well, I'm back again—Hi—Hey! Check the new title of this column—like that? If not call me and give YOUR idea! Thanx.

Yes Sir? No Sir!

Looks like the "Quiigs" got their men (?). Paul Fordom, Ray Keough, Bob Lee, and Jimmy Fink accepted to become the four new pledges. Good luck guys!!! (They still give first aid at the O.B. Police Station.)

Fun? Yes.

Friday night Pat Jacobs held open house to the public. People roamin' all around gabbin' eatin', and drinkin'. Lou Cure also had thousands of kids running in and out of her place dancing and saying "Hi" to all the old friends a couple of weeks ago. Keep up the fun gang!

Yum!

The Kampus Katz had a formal dinner at June Belloff's Sunday for their three new members. The table was decorated in black and white (club colors) and the whole meal was eaten by candle light. After a five-course dinner the new members were formally taken into the club with a candle light service and each received their pins. Congrats, Nola Plummer, Lorraine Adams, and Minette Miller.

Calling All Kids!

Watch for a big announcement coming up soon—the K-K's are planning another BIG event this year! Trez-N's and La Chere's have something up their sleeves too. So don't forget to be watching this column all the time for new results on these activities.

Left-Right-Left

Hey, Point Loma is sure going to make a showing tonight at the Carnival in Balboa Stadium. The P. L. drill team will get the evening off to a flying start. They will be the first ones on the field and with their mammoth drum corp and drill team they should really show. For the coloring the Majorettes and Pom Pon gals will really be knocking themselves out. Good luck gals and come on team!

Fight-Fight-Fight

Point Loma's cheer leaders, Betty Hodges, Sue Pense, and Kenny Oliver, are really going to have a fine bunch to lead tonight as we found out at the big rally assembly held today at P. L.. The Booster Club with their yellow beanies and maroon tassels will be there to yell their lungs out and I imagine all the rest of the Point Loma students too. Of course they'll all be singing the school songs, especially with the new and cute (HUBBA) song leaders, Barabara Foran, Shirley Hill, Jeannie Miller and Betty Timmons. Who wouldn't want to follow them—in their active routines.

T-T-E-E-A-A-M-M

The football team is in top shape I hear. They had a scrimmage with San Diego last Friday and looked very good. Hope they do as well tonight against La Jolla. Some of the members of the team are: Don Jones, fullback; Bill Helm, right tackle; Ray Keough, right guard;; Pete Simmons, left tackle; Lionel Varagus, right end; and Dwayne Michael,, center. We'll be rootin' for ya team, so FIGHT!!

In Bed

Hey fella, that's no place to be. Looks like Bud Burows is taking a little time off from his duties at school, but I know it's not because he wants to. So come on Bud, we're all pullin' for ya—hurry and get well.

Bill Cisco's home was really a mad house Friday night. He had a fine party, serving food, and drinks ta-boot. Chuck Farrell, Barbara Tipton, Jane Kelly, Stan Jones, Frank Barner, Roy Creelman, Ann Odinot and Maggie Mason were just a few taking part in all the fun.

Marica Jackson, Ann Odinot, Ratsy Young, Thelma Fintzelberg and Ernestine Ichle have been accepted into the Zettz. Congratulations, gals. Zettz also had a real fine barb-e-que at Kay Lupton's last Sunday. Any Tummy Aches??

Well—THAT'S WHAT and anyone having information for this column next week just call Ginny—B-8744.

(Editor's note: Most of the teen-age social clubs, such as the Zettz, Trez-N, La Chere, Prims, Vims, Kampus Katz, JO, Quiigs, Oaks, Rebels, Mad Katz, Amo's and Rogues, that appear in this column are not sponsored or supervised by school authorities. They are social in nature and operate outside of school under their own informal by-laws.)

Mrs. Catherine Sparks Weidel of 4727 Voltaire St., was visited last week by her two sons, William and Vaughn Weidel. William is a member of the California State Agriculture Staff and resides in Artesia, California. Vaughn is in the real estate business in Bellflower and Artesia. They returned to their homes on Saturday.

Garden Club To Hold Third Meeting At Burkett Residence

Four speakers will figure in the program Monday afternoon when members of the Woman's Club Garden Department gather for their third meeting at the home of Mrs. Lyle Burkett, 1195 Santa Barbara Ave. The list is headed by Murray Williams of the Montalvo Gardens here, who will speak on the subject of lath houses. He will be followed by Mrs. Ruth Anderson, chairman of the Ocean Beach Chamber of Commerce Beautification program, whose topic will be, "Working Together with the Chamber of Commerce."

Other speakers before the group will be Mrs. Grace P. Berry of Ocean Beach who will discuss her hobby of orchids, and W. F. Sinjin, landscape architect, who will present the planting calendar for October and will answer questions on random gardening subjects.

Mrs. E. D. Buffaloe, program chairman for the club, announced that this meeting will see the initiation of the plant exchange. She said members were requested to bring potted plants or cuttings so that they may be placed on the exchange table for trade with other members.

R. F. Wilson of the Blue Pacific Nursery has offered a handsome door prize for the meeting. He declined to state what it will be, however.

Mrs. Buffaloe urged a large attendance for this meeting. She said the club is of especial value to owners of new homes in the area, who may be helped to avoid landscaping mistakes usual in planting a new lot.

MRS. V. C. HUNSAKER GIVES SWIMMING AND TENNIS PARTY FOR 12 GUESTS

Currey, Ronald Graeme, William Dee Waard, William King, Harry Fickle, Albert La Marr, Roy Milton, Jesse Thomas, Edward Shea and Owen Thamer, and Miss La Marr.

Jane Titlow To Be Featured In Song Recital Sept. 29

Miss Jane Titlow, 15-year-old coloratura soprano of 3765 Narragansett Ave. and daughter of Mr. and Mrs. John A. Titlow of that address, will be featured in a song recital of the pupils of Helen Donofrio on Monday evening, Sept. 29, in the San Diego Woman's clubhouse at Third Ave. and Maple Streets. Alice Culley will accompany at the piano.

Miss Titlow has selected three solo numbers: "Una Voce Poco Fa" from Rossini's "Barber of Seville", "How Beautiful the Mountains" by J. Flaxington Harker, and a pantomime in costume, the aria of the mechanical doll "Olympia" from Offenbach's "Tales of Hoffman." A duet also is planned the young singer, to be shared with Rosemary Radamacher. Together the girls will sing "Duet of the Flowers" from Puccini's "Madame Butterfuly."

Local Clubwoman On Program Given District Meeting

Mrs. C. W. Early, publicity chairman for the California Federation Southern District of Women's clubs, presented an outline of the forthcoming issue of the California Federation News (November convention issue), when the ladies of the Southern District met Wednesday for a district executive board meeting at Fullerton. Mrs. Early reports the magazine cover would carry a pictured scene of San Diego county.

Representing Ocean Beach at the board sesion were: Mrs. S. M. Kyde, Mrs. B. H. Nielsen and Mrs. Early. Mrs. Roy D. Lay of Riverside presented the first in a series of talks on "Closer Cooperation With The Juniors," which will be the major project for the year of Mrs. Crokat, district president, reports Mrs. Early.

Paul H. Demaree, superintendent of schools in Anaheim, Calif. was the featured speaker, says Mrs. Early. His subject was "The New Japan," concerning which he emphasized that, "the Japanese people are calmly and hungrily fighting inflation and starvation as they seek to follow the path they realize should have been theirs years ago." Mr. Demaree is the son of missionaries and spent 15 years in Japan. He reviewed the war in its relation to Japan and the Japanese, explaining that the system of education which "made killers of the Japanese children" has been replaced by a Christian doctrine which will make a new Japan,—"a country with which we can cooperate and a people who can be our friends."

Following the board meeting, Mrs. August E. Schumacher of Anaheim, president of the Orange county Federation, invited the officers and chairmen of the Southern District to tea at her home. Mrs. C. W. Early, district press chairman, and Mrs. F. M. Kyde, well known figure in district affairs, were present to represent Ocean Beach.

The official count of members attending the board meeting was set at 189, and 50 were present for the tea.

WSCS Circles To Hold Individual Meetings Thursday

The four circles of the Woman's Society of Christian Service of the Pt. Loma Methodist Church will hold separate meetings on Thursday, Oct. 2, from 1 to 3 p.m. Officials of the society report that all circles are working hard to finish their projects for the bazaar, to be held in November. The members will bring their sewing baskets to this week's meeting and spend the afternoon sewing and discussing various business matters of the circles.

The hostesses of each circle will serve refreshments. Royal Neighbors To Give To Cancer Fund As Memorial

In memory of Mrs. Grace Rippee, who died last week, the Ocean Beach Royal Neighbors camp, of which she was an active leader, this week decided to contribute to the Damon Runyon fund for cancer research. No set amount has been agreed upon as yet, Mrs. Florence Danner, president of the group said. She told The News "We felt it far more appropriate to contribute to this cause than to buy flowers which would soon wilt." The society met Friday evening last in the Woman's clubhouse, at which time the issue was discussed. Refreshments were served by Mrs. Merle Arney.

Thimble Club Meets

Under the leadership of the president, Mrs. Earl J. Haas, the Royal Neighbors Thimble club met Friday afternoon (Sept. 19) for a session with the needle. The ladies mended stockings for children of the Boys and Girls Relief Home in San Diego. They also enjoyed a pot-luck luncheon.

CALIFORNIA'S BIRTHPLACE — PT. LOMA

On Thursday, September 28, 1542 . . . here on our own Pt. Loma, in the name of his majesty, Charles of Castille and Aragon, Juan Rodriguez Cabrillo, a Portuguese sailing under the Spanish flag, stepped foot on American soil. History tells us that is was in all probability on Ballast Point (known also as "La Punta de los Guijarros" and "Cobblestone Point") that Cabrillo first landed.

Here, only fifty years after Columbus' first voyage to the New World, California was discovered and named. Nearly two hundred and twenty-seven years were to elapse before the city of San Diego, oldest of cities on the Pacific Coast, was founded by Father Serra. Sixty years were to pass before San Diego bay was named by Vizcaino.

Small wonder then that we are proud of our Pt. Loma, jutting out majestically into the Pacific Ocean, friend and refuge to the explorer four hundred and five years ago, and home to us today.

We celebrate the anniversary on Sunday of this year. Would it not be a touching tribute to this explorer of the past to pause a moment in reflection of the great favor he bestowed upon us when he discovered the soil we now live on?

(Editors note: Credit for data in this editorial goes to Mrs. Winifred Davidson, noted California Historian, and Pt. Loma resident.)

LIEUT GEORGE F. BOONE RETIRES FROM HAZARDOUS 30 YEARS IN U.S. NAVY

"Remember that two things should never be cut short—one is the time and the other is the fuse." This is the parting injunction of Lieut. George F. Boone of 4691 Adair, who this week retired after 30 years of service with the United States Navy. As ordnance disposal officer, he said he has always adhered to this safety formula.

Most of Lieut. Boone's Naval career has been spent in the hazardous fields of ordnance and deep-sea diving. He has been serving as District Ordnance Disposal officer for the 11th Naval District. Enlisting in the Navy when he was 15 years old, prior to World War 1, he once narrowly escaped death when he lost consciousness while working on a submarine salvage job. At this time he was stationed on the U.S.S. Ortolan, submarine rescue vessel.

Recalled to active duty in 1940, Lieut. Boone supervised test firing of guns installed on Russian freighters. Later he became mining officer of the U.S.S. Terror, flagship of the Pacific Mines Force. He escaped injury although 100 lives were lost, when a Kamikaze plane crashed into the Terror at Okinawa.

BRIEF NEWS

Mr. and Mrs. Kermit A. Azbill of 3650 Voltaire left Sept. 23 on a two months vacation trip to Connecticut, Kentucky and Massachusetts.

Mr. and Mrs. Charles Andresen of New York arrived with their son Paul the latter part of August for a visit with Mrs. Andresen's mother Mrs. J. D. Darcy of Warren Homes.

Kenneth Richmond Melie of 2340 Lucerne Dr. left Sept. 1 for the College of the Pacific in Stockton, where he will be a music major. A trumpet player, Kenneth also is playing with the Stockton Symphony orchestra.

ECHOES OF THE PAST

The following items are excerpts from The Beach News of October 1, 1927.

Police reports show that burglars last Tuesday entered the Selyer residence at 4816 Niagara and stole a phonograph and 100 records, coats, dresses and a quantity of other apparel. They must either have been husky fellows or brought a truck.

Mr. and Mrs. John Clarke of Niagara Avenue, accompanied by their daughter Mrs. R. Howe and Junior Howe, are enjoying a motor trip to Texas. A trip in a 1927 car doesn't sound enjoyable to us these days, does it?

The issue of changing the name of Ocean Beach to Point Loma Beach was still being dragged out in the columns of The Beach News. Besides that original suggestion, Rev. P. C. Santy of Sacred Heart church recommended that we call the town Lindbergh Beach after the famous flier.

Elmo Scott Watson contributed a valuable service to the community when he cleared up a lot of misunderstanding about the life and activities of Sitting Bull, famous Indian chief. Setting out to debunk widely accepted tales about the chief, Mr. Watson said that Sitting Bull's reported visit to West Point, his knowledge of French and other languages, his legendary favoritism for white men of the Masonic Order, and the issue of his physical bravery or cowardice are pure fiction. After the insatiable curiosity most people show in the matter, it's a good thing to have that settled, anyhow.

STATE COLLEGE NEWS

(Continued from Page One)

for a sentence by the "Kangaroo" court might be the outcome. Frosh men have been decidedly distinctive, since school began, with their red and black beanies but now the gals have to take their turn at being embarrassed, ridiculed and slandered just because they are nothing more than lowly Frosh. Green ribbons and pigtails are being worn, with (ugh) no make-up. Of course, it's unthinkable to be caught in the senior "quad", or walking under the main arch. Frosh must be friendly and respectful to upper classmen at all times and must keep the campus clean by picking up papers when they are told. If any freshman is found who doesn't know all the school songs and yells, it giffs death yet.

Carleton Bingham, who is majoring in chemistry and physics, is a sophomore this year, after spending a summer at Yosemite. But wait a sec with those groans of envy. We hear tell Carleton was really working! He and Leonard Godwin and Harold Holmerud from Ocean Beach were active in Brush Control and Fire Fighting, which ain't easy, McGee.

Mary Ellen Curry, a secondcal education major, had an excitcal education major, had a exciting summer in Mexico. She attended Inter-American Summer School at Saltillo near Mexico City, studying Spanish primarily. All the lectures she heard were given in Spanish, and these covered history, advanced grammar, phonetics, literature and art.

Roger Tuck and Fred Peart were two Aztecs who took their schooling seriously all summer long. Both of them spent the vacation months on campus, attending summer school. Fred is taking some sophomore courses and some junior classes, while Roger is a senior majoring in accounting.

Dotty Shepherd is a junior, and a physical education major. She worked at a playground in the Frontier Housing area for part of the summer, then went to Roosevelt playground for the remainder of vacation. Dot works part time now at the Freedom Street playground. She's accumulating a good background for her work, and has been clever in helping the children at the playground have such interesting diversions as contests, dog-shows, teas for their mothers and other activities.

Ned Titlow, a junior majoring in business administration, worked with the Titlow Insurance Agency during the summer. Ned spent several lazy weekends in Baja California, fishing, diving for abalone and forgetting all about such headaches as "profs" and Blue Books.

Betty Schumacher is wearing a diamond on campus this semester and plans to change her last name around the first of next year. Her engagement to Tom Burns, who is majoring in engineering at State, was announced September 13. Betty is a sophomore majoring in physical education, working for a special secondary teacher's credential. She worked at the Training Center during the summer.

Bob Senica, a commerce major and a sophomore this year, worked for the Smith-Trevor Lumber Company during vacation, taking a week out for a trip to Sequoia.

Barbara Carr, a freshman, is an art major with aspirations of teaching art someday in the great future, if she survives Frosh hazing. Barbara had a busy summer, going to Point Loma High summer school for extra credits, working at the National Pharmacy on Midway, and, best of all, "doing" San Francisco for a couple of weeks. Barbara was seen at the Frosh Jolly-Up in the main "quad" Friday, September 19. Also seen were Adele Hardie, Marcia Drummet, Ethel Williams, Bob Senica, Martha Wisdom, Mary Ellen Curry, Betty Schumacher and many other Ocean Beach students, while studentbody "prexy" Johnny Orcutt officiated and rules for Frosh hazing were announced.

Jon Kowal, a speech arts major and a sophomore, was a lifeguard at Ocean Beach last summer. Jon was also active in theatre work during the summer.

Martha Wisdom, a sophomore majoring in phychology, studied philosophy at the Theosophical Seminar at Covina near Los Angeles for a month. Then Martha "threw in the towel" and spent the rest of the summer at Old Mission. Nice goin', Martha, that's the only way.

Kenhelm Stott, an adult special majoring in history, took a three-week car trip to Canada, covering Victoria, the valleys of the Thompson and Fraser Rivers, and on to Vancouver, and Vancouver Island, off the coast. He went via Eastern Oregon, Washington and Idaho. Sounds like a beautiful trip.
